## **Alfredo Ascencio – Assistant Training Director / Instructor**

Alfredo Ascencio is currently the Assistant Training Director and LIUNA Certified Instructor under ANSI 17024 here at The Chicagoland Laborers' District Council Training and Apprenticeship Fund. Alfredo started his career as an Apprentice Laborer to where he then graduated and became a Journeyworker recognized through the Department of Labor. He utilized all of his training that he received as an apprentice and became a Site Safety Coordinator/Labor Foreman for Power Construction. He then used the experience and training from the field and the Training Center to proudly come back as an Instructor, LIUNA Certified Instructor under ANSI 17024 and honored to have been promoted as Assistant Training Director under the direction, guidance and mentoring of Mr. Keith Vitale, Training Director to where Alfredo continues to facilitate courses for Apprentices starting their careers as proud members of LiUNA and for our proud Journeyworkers pursuing continued education to keep current with industry standards or to jump start their careers.
