Re: Environmental Refresher Course Waitlist

The LIUNA CLTAF implemented a new process that significantly improves enrollment in our Environmental Refresher courses. As a result, members will no longer need to join a virtual waitlist. Instead, they can now enroll directly in any scheduled Environmental Refresher course by contacting our Administration team at **630.653.0006**.

Courses are currently posted on our website through **June 2026**, and members may register for any listed course at their convenience. Additional Environmental Refresher courses for the remainder of 2026 will be added to the website by end of **February 2026**.

With these improvements in place, the Environmental Refresher course waitlists have been officially discontinued.

If you have any questions, please contact Training Director Marcus Roberts at mroberts@liunacltaf.org.

Marcus Roberts
